

THE 2012 NEW MEXICO SCHOLASTIC CHESS CHAMPIONSHIPS

- **FEBRUARY 18: 36th ANNUAL NEW MEXICO GRADES K-12 CHAMPIONSHIP.** Santa Fe Community College, Santa Fe.
- **MARCH 3: 33rd ANNUAL NEW MEXICO GRADES K-9 CHAMPIONSHIP.** Aspen Elementary, Los Alamos.
- **March 17: 33rd ANNUAL NEW MEXICO GRADES K-6 CHAMPIONSHIP.** Ramada Albuquerque, I-40&Eubank.

TOURNAMENT SECTIONS

Each tournament is divided into multiple sections of different skill levels. Contestants play only opponents in their own section. The Championship section is the most competitive, while the Reserve, Novice, Cadet, Booster, and Midget Sections are easier in that order.

All sections below Championship have ratings restrictions (see pg. 3). Unrated players may play in any section, subject to age restrictions. A player is unrated if she/he has never played in a United States Chess Federation (USCF) rated tournament. Some sections also have grade restrictions.

HOW TO ENTER THE TOURNAMENTS

To enter one or more tournaments, see the entry details on page 4 of this flier. Payment must be paid online or mailed to Dave Poston as indicated on page 4. All entry fees and applicable USCF membership dues must be paid for registration to be accepted. School Purchase Orders (POs) are acceptable.

Due to the large turnout at these events we require every player to register in advance. **Absolutely no entries are allowed after 6:00 PM the Thursday before the tournament.** More information can be found at <http://nmchess.dyndns.org>.

Please Note Deadlines: Entry fees will be assessed strictly according to the payment postmark or credit card submission. **Preliminary registration must be made on-line (no phone or fax entries), and payment must be received or postmarked by the corresponding deadline to complete registration; otherwise student will be ineligible. Payment only via regular mail, hand delivery, or on-line at <http://nmk12chess.org>**

***** Any player that has registered before will receive an email with their username and password, sent to the address provided for that player. If you don't receive an email and you have forgotten a player's username/password, e-mail aspenschess@comcast.net.**

The entry fee is \$18 per player if postmarked or paid online by **2 weeks** before the tournament; and \$25 thereafter up to 6 PM the Thursday before the tournament.

Requesting a Half Point Bye: Any player with an activity conflict may request a half point bye in any single round of any tournament at any time prior to 8:30 AM (K-6 9:00 AM) on the day of the tournament.

WITHDRAWING FROM A TOURNAMENT

A player who wishes to withdraw with a full refund must either contact Dave Poston at (505) 470-7081 or withdraw in the tournament directors' room prior to 8:30 AM (K-6 9:00 AM) on the day of the tournament. Also, please send an email to Dave Poston at aspenschess@comcast.net to request the refund.

TEAM SCORE

A school can enter as many players into the tournament as it wishes. There is no limit. A school's team score in any section is calculated by adding the scores of the school's top four scoring players. To score points for their school, players must be full time students at the school. Home-schooled teams must send a team roster to Dave Poston. Club teams are allowed in all sections except Championship, Reserve, and Primary, and must notify Dave Poston of their intent to play as a single team. Club teams are not eligible to win State Scholastic Championship Sections (per USCF and NMSCO rules). Submit the roster or intent by one week prior to the regular registration deadline. Admission of such teams is subject to the approval of Martin Cooper or the organizing committee. A school must have at least two players in a section to qualify for a team trophy, except as noted in the next paragraph.

So that inexperienced players are not forced into the Championship Section to complete a team, there is a special provision that allows a school to borrow up to two handicapped scores from the Reserve and apply them to the Championship section. (The tournament scorekeepers automatically carry out this procedure.)

INDIVIDUAL AND TEAM AWARDS

Any player who finishes among the top ten in his/her section will receive a trophy (note: Championship may have different award structure). The top three teams in each section will also receive trophies. Many honorable mention trophies will be awarded in each section.

PAIRINGS AND RATINGS

Each player will be paired according to the USCF's Swiss pairing rules. A player is never eliminated due to a loss. Although players from the same school/club will not usually play one another, USCF rules may occasionally require such pairings. Pairings will utilize the most

recently published USCF ratings supplement; i.e. the K-12 and K-9 will use the March Supplement, and the K-6 will use the April supplement. The ratings within the database and registration lists will be updated at least 1 week before the tournament. Players will automatically be moved up a section if the ratings dictate; however, if a player is eligible to move down it must be requested or done online prior to the close of registration.

USCF MEMBERSHIP AND ID

Players must be current members of USCF. (Exception: anyone playing only in K-3 or K-2 section in the K-6 tourney is not required to join.) Dues may be submitted with the entry payment, or you can register/renew at <https://secure.uschess.org/webstore/member.php>.

Membership categories/prices through NMSCO are:

Scholastic Member: \$15 per year for players age 12 and under; (\$22 with 6 issues per year of *Chess Life for Kids*).

Youth Member: \$19 per year, for players age 15 and under; (\$26 with 6 issues per year of *Chess Life*).

Young Adult Member: \$23 per year for players 24 years and under; (\$31 with 12 issues per year of *Chess Life*).

If the player has played in a USCF rated event before, the player's USCF 8-digit ID number and membership expiration date is necessary for on-line registration. Updated information can be obtained from the USCF website: <http://www.uschess.org/msa/MbrLst.php> by typing in the last and first name of your member or from the USCF in Tennessee at 1-931-787-1234.

Players who have never participated in a USCF rated event should enter their rating as UNR and never paid USCF dues should indicate the ID number as NONE. These players must include full dues unless playing only in a K-3 section in the K-6 tournament. If you register yourself on the USCF website, you will immediately be given an ID number, which you can use for registration.

FINANCIAL AID

No New Mexico player will be denied entry into the state championships for lack of funds. For financial aid, contact Dave Poston before submitting payment.

AT THE TOURNAMENT

Players must report to the tournament by 8:50 AM (K-6 9:20 AM). Players who are not present at that time are not guaranteed a pairing for the first round or admittance to the tournament. The K-12 tournament should end at ~6 PM, the K-9 at ~5 PM and K-6 at ~4 PM; although the championship sections can run much longer (the K-12 Championship Section may go until ~9 PM.). If you must leave the tournament early, PLEASE notify the tournament directors before you do so, or you will leave a child sitting alone for 30 minutes without a game

Food will be available at all tournaments. Each player should bring a pen or pencil and, if possible, a set and clock. The organizers do not provide sets or clocks at these events. Sets and clocks may be for sale. A chess clock must be used if available. Chess notation in some form is required of all players in grades 4 or higher.

TRAVEL DIRECTIONS

GRADES K-12 CHAMPIONSHIP (February 18, 2012) at Santa Fe Community College, Santa Fe. From the south: I-25 north to Santa Fe, exit north on Cerrillos Road (Exit 278). Take Cerrillos 3 miles, turn right on Rodeo Rd. Take Rodeo 1 mile, turn right on Richards Ave. Take Richards 2 miles to SFCC on the left. From the north: From St Francis Dr (US 285 or exit 282 off I-25) take Sawmill/Rodeo Rd west (Sawmill is the 1st light north of I-25 on St Francis, turn towards the Giant gas station). Take a short bend left on Sawmill and turn right onto Rodeo. Take Rodeo 2.5 miles, turn left on Richards Ave. Take Richards 2 miles to SFCC on the left. *When you pull into SFCC, park in either the West Wing parking lot on the left, or the Main parking lot on the right. Enter the main entrance courtyard, then bear left to the Campus Center and Jemez Rooms. The last 5 miles of the drive to SFCC are very slow, so allot extra time!*

GRADES K-9 CHAMPIONSHIP (March 3, 2012) at Aspen Elementary, 2182 33rd Street, Los Alamos: Follow Trinity Drive (SR502) to the intersection of Diamond Drive. Turn right onto Diamond. Follow Diamond Drive approximately one mile 'til stop light at Shell Station. Turn right onto 38th street. Follow the road round to the left as it becomes Villa. Continue approximately 0.5 miles to the end of the road and Aspen Elementary.

GRADES K-6 CHAMPIONSHIP (March 17, 2012) at Ramada Albuquerque, 10300 Hotel Ave, I-40 & Eubank. Go north on Eubank from I-40 (exit 165) and take the first right on Hotel Ave (just past Owl). Turn right into the first parking lot, go past the Owl and venue is straight ahead.

****Candidates are sought for the 2012 Scholastic Steering Committee****

The Steering Committee is responsible for organizing the 2012 Scholastic Chess Championships. The term of office is one year. One nomination or volunteer is confirmed by vote at each of the state championships. For information, contact any of the committee members listed below. Nominations will be accepted from the floor, but please volunteer! *The General Meeting of the NMSCO will be held at the Grades K-12 Championship.* On-site volunteers, especially experienced floor TDs and score-table recorders, are also welcome at all of the tournaments. Please contact the representative below for the tournament(s) where you are interested in helping.
